

### What are the PACE Awards?

PACE Partner Schools in Spokane Valley, Freeman and Tekoa, for the Spokane Valley Chapter, select one student to be recognized for outstanding character. While a banquet ceremony is not viable this year, we will celebrate these students in a different way. PACE will work with schools to provide the celebration that best fits with their community and school status. These may include PACE branded yard signs for each student, gift certificates for take out from local restaurants, and school or online presentations of an award, gift bag, a keepsake 'event' program and certificate.
